

NGUYEN MAI CHI TRUNG | FRONT-END DEVELOPER

Ho Chi Minh City | 0357640009 | nguyenmaichitruong1912@gmail.com
<https://www.linkedin.com/in/trungnguyen1912/>

PROFESSIONAL SUMMARY

I am a Front-End Developer with 3 years of web development experience. I have a high level of proficiency in HTML, CSS and JavaScript, along with famous libraries and frameworks like ReactJS, NextJS,... My strengths are logical thinking and solving complex problems. I want to build a practical, extensible, maintainable, and highly available system.
